

## CONCRETE STAIN AWAY

Concrete Stain Away is a new and innovative cleaner designed to penetrate deep into porous concrete to lift and absorb embedded oil and grease stains. It safely removes all types of oil and grease stains and stains will not reappear.

**Applications:** Driveways, Garage/Shop Floors, Patios & Decks, Parking Lots & Parkades.

This product pulls stains to the surface as it dries from liquid to powder.

**Directions:** Cover stain with product and sweep powder away once dry (8 to 24hrs).

No scrubbing, no mess, no fuss!

This product is biodegradable, non-toxic, non-flammable and non-corrosive to skin. It is safe to use on all types of masonry and concrete surfaces.

Pet and plant friendly.

Phosphate free and contains no VOC's

DOT/TDG/IATA/IMO Classification: Non regulated

No harsh fumes when used indoors
