

TECHNICAL Data

SEWER DISSOLVER

An inhibited caustic based product designed to dissolve grease and other organic matter in sewer lines, drain lines and grease traps. It is safe to use in plastic lines.

Food Processing Plants: Avoid contact with food surfaces. If product comes in contact with food contact surfaces, rinse thoroughly with potable water.

DIRECTIONS: Use as required for sink drains, use 1 cup directly into the drain. For larger floor drains, use more product, 1 - 2 cups. Repeat application after 20 minutes. Finish by flushing with plenty of hot water. If drain is not cleared, use mechanical cleaning methods.

The Canadian Food Inspection Agency has no objection to the use of this product in food plants when used according to label directions.

FOR COMMERCIAL USE
