

ENVIRO PURGE

DESCRIPTION:

A concentrated combination of biodegradable detergents, wetting and emulsifying agents, deodorizers, and quaternary ammonium biocide.

It may be used to control and eliminate odours around sewage disposal plants, garbage areas, compactors, animal shelters, stables, etc.

It is also ideally suited for use in outhouses and portable toilets.

DIRECTIONS:

Dilute 1 part to 50 parts of water for spraying or foaming of affected areas. Allow solution to remain on surface for 10 minutes, then rinse.

For use in portable toilets, add 60-90 ml (2-3 oz) and add enough water to cover the bottom of the tank. Add more product periodically as required to control odours.

FOR COMMERCIAL USE
