

# TECHNICAL Data

## NBC DEGREASER

**DESCRIPTION:** This product is a non-butyl cleaner, degreaser and odour counteractant that rapidly emulsifies animal, vegetable, petroleum oils and greases. It is biodegradable, completely soluble in cold and hot, hard or soft water. It is free rinsing, non-flammable and non-corrosive to metals.

**DIRECTIONS:** For general cleaning, degreasing, pressure washing and steam cleaning - dilute product with 80-160 parts water. For automatic scrubbing machines, wet mopping and sponging - dilute with 40-80 parts of water.

This product does not contain perfume or butyl cellosolve, therefore, it will not impart odours in food processing establishments. When used on food contact surfaces, rinse surface clean with potable water.

The Canadian Food Inspection Agency has no objection to the use of this product in food plants when used according to label directions.

FOR COMMERCIAL USE
