

## CLEAR VIEW CONCENTRATE GLASS CLEANER

Clear View Concentrate is a concentrated window and glass cleaner that needs to be diluted prior to use. The quality of the water used for dilution is important to the overall product effectiveness.

This product contains no alcohols or other volatile ingredients and excels in cleaning and film removal. It outperforms most national brand window cleaners and can safely be used on glass, windshields, white boards, eyeglasses, goggles, Plexiglas, tabletops and computer screens.

Dilute 1:32 with water. Apply with a spray bottle, cloth or sponge. Wipe dry with a clean cloth, paper towel or squeegee.

Clear View Concentrate is ECOLOGO certified to Hard Surface Cleaners UL 2759. ECOLOGO certified products are certified to ECOLOGO standards for reduced environmental impact. For more information, visit [ul.com/el](http://ul.com/el).

The Canadian Food Inspection Agency has no objection to the use of this product in food plants when used according to label directions.
